

2014 SUPER CAR RACE SERIES RACING CAR RENTAL PLAN

Get the experience thrill of driving GT machine on a racetrack!

☆Category I SLS AMG GT3

This revolutionary racing car rental system is the system to compete in the race by renting a GT machine and that rental system is for the first time in Japan! A car race you can compete in is the newest race category which is started from 2014 『SUPER CAR RACE SERIES』. It is not too much to say that 『SUPER CAR RACE SERIES』 is the car race for "gentleman drivers". The Mercedes SLS (which is rental vehicle) offers outstanding performance with its specific AMG 6.3-liter V8 developing 563hp and controlling the "peaky" behavior by long-wheel base. Additionally, SLS AMG GT3 is equipped with well-controlled ABS and traction control. That indicates SLS is the machine that has feature of driving easier than any other GT3 vehicles.(also providing you with a comfortable driving environment with air-conditioning in case of hot summer.)

Furthermore, Race Car Insurance gives you more enjoyable race car driving. This Race Car insurance is designed to provide cover against the cause of damage by own driving mistake and collision damage with other vehicle in the race.

Rental Fee:

Race-by-Race entry 1 event (2 races) **5,500,000 JPY (tax separate)**

Notice: be possible for entry with one driver only (limited to the gentleman drivers)
in the case of entry with two drivers, the rental fee for one driver is set to 2,250,000 JPY (tax separate)
